

CAPABILITY STATEMENT

WHO WE ARE

SnapIT Solutions® is nationally recognized as an innovative and visionary small business with a powerful mission. Founded in 2015 by Neelima Parasker, SnapIT® is a woman-owned, tech solutions company with a start-up pace that thrives on innovation.

Providing software and hardware-design solutions, our team of inventors, innovators and creators, design and develop products and solutions that are cutting edge. We have proven experience delivering an impressive catalog of IT solutions and services to our ever-expanding portfolio of satisfied customers.

We build *Smart IT Solutions, Faster...Promise!*

OUR DIFFERENTIATOR

Partnering with local Workforce Development Boards (WDBs), SnapIT Solutions® offers Workforce Innovation and Opportunity Act (WIOA) approved training programs to the community. Select graduates are then brought into SnapIT Solutions® as apprentices to work alongside others, developing and enhancing their skills. Upon completion of an internship, SnapIT Solutions® deploys our new professionals back into the community as practitioners.

We build our own *Tech Talent Pipelines!*
